Dr. D. S. Panwar M.B.B.S., M.S, FMAS.
Course Director

- The chief trainer of this program, Dr. Panwar, brings over 20 years of expertise in minimally invasive surgery. Since founding Jaipur Hospital, Kaithal, in 2011, Dr. Panwar is committed to shaping the next generation of surgeons through a practical, patient-centered approach.

Why Choose Our Fellowship Program?

Learn from an Expert:

Dr. Panwar holds an MBBS and MS (General Surgery) from the prestigious S.M.S. Medical College, Jaipur, and has also received postgraduate training in multiple disciplines, including Medicine, Anatomy, Anesthesia, and ENT. This diverse background provides him with a holistic perspective, ensuring you learn beyond the technicalities of surgery.

Proven Track Record of Excellence:

- ✓ 20,000+ laparoscopic surgeries performed, including:
- ✓ 14,000+ laparoscopic cholecystectomy procedures
- ✓ 5,000+ gynecological surgeries (TLH, laparoscopic pectopexy, laparoscopic cystectomy, and ectopic pregnancy management)
- ✓ 3,000+ endourological procedures

Efficiency Redefined:

Laparoscopic cholecystectomy completed within 2 minutes

Total laparoscopic hysterectomy (TLH) completed within 30 minutes

This is the only training center worldwide offering hands-on experience on real patients, bypassing simulators and video lectures. Gain unmatched exposure under the expert mentorship of Dr. Panwar.

Course curriculum :

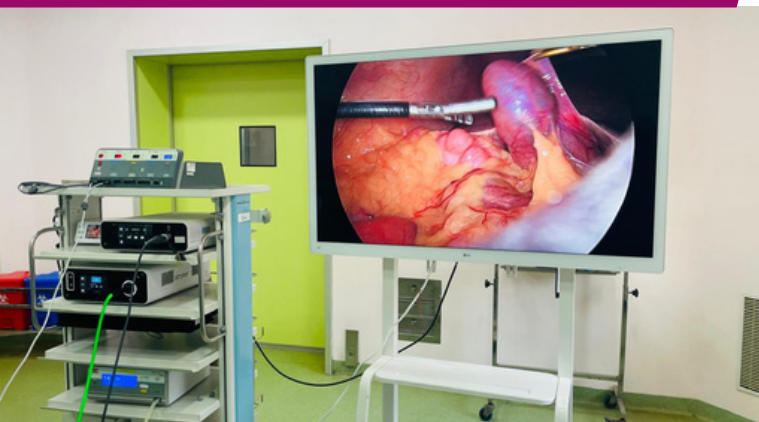

Fellowship Training Program in Minimal Access Surgery (F.M.A.S.)
